Battery Greenrich WM5000 Wall Mount 1.5C

Description

The Greenrich WM5000 Lithium Battery Wall Mounted System is a versatile and powerful energy storage solution for residential and small commercial settings. Featuring advanced 1.5C technology, the Greenrich WM5000 delivers enhanced power output and efficiency. Its wall-mounted design ensures easy installation and space-saving benefits. 4.95kWh of capacity and 7500W output power, With comprehensive protection features and intelligent communication capabilities, WM5000 offers a reliable and user-friendly energy storage solution. It is designed to seamlessly integrate with solar-power systems, allowing homeowners and businesses to optimize their energy usage and reduce reliance on the grid. This battery is built to withstand the test of time, ensuring reliable performance and energy storage for years to come

Features :

- Energy Capacity: 5kWh
- Voltage: 48V
- Discharge Rate: Up to 1.5C
- Safety Features:
- Overvoltage Protection
- Undervoltage Protection
- Short Circuit Protection
- Low Temperature Charge Protection
- High Temperature Charge Protection
- Low Temperature Discharge Protection
- High Temperature Discharge
- Protection Charge over
- Warranty: 10 years
- Communication Interfaces:
- RS485 Communication
